DSF Steps Toward A Cure National Sponsorship Opportunity

Dravet Syndrome Foundation's 2020 *Steps Toward A Cure* is a week long virtual event in September that will involve families and friends across the United States walking to raise awareness of Dravet Syndrome. This year, we will continue with our Dravet Superhero theme! The first 250 registered participants will receive their event shirt and drawstring backpack, with promotional items from our sponsors, by mail a few weeks before the event.

By becoming a National Walk Sponsor, you can make a significant contribution to the Dravet community and play a central role in the continued success of DSF. As a sponsor, your business or organization will benefit from visibility and goodwill to walk participants across the country.
